CHANTICO FIREPLACE GALLERY

(2) Gyrofocus Fireplace

This international classic was the very first suspended, 360-degree pivoting, wood-burning fireplace. It's made of four-millimetre-thick steel with a diameter of 1.25 metres. This fireplace hangs in New York's Guggenheim Museum, but it will look fantastic in your home or cottage.

(1) Garden Buddha

A laughing Buddha in your garden will bring wealth, good luck and prosperity. Made of concrete, this Buddha will also withstand the elements. Don't forget to rub his belly to ensure even greater luck.

BAYSWATER MARKET

(3) Tote Bag

To market we go with a tote that will get noticed. It's called the Blue Paisley Essential Tote and it's strong enough to pack all your fresh market veggies, meats and cheeses. Or fill it with towels and sunscreen for a trip to the beach.
